Stagecoach Community Center
3420 Camino De Los Coches
7 p.m. to 9 p.m.

Project Location

— La Costa Avenue Improvement Plan area

The plan's main goal is to enhance the residential character of the La Costa neighborhood while maintaining the roadway's function as a main east-west corridor. Some of the options the city will ask the community to consider are roundabouts, traffic signals, changing the number of lanes, landscaped medians, and adding sidewalks and bike lanes.
